vs.

Renee Segnatelli, LPN, Lic. No. 023412  
Respondent

**MEMORANDUM OF DECISION**

***Procedural Background***

The Board of Examiners for Nursing (hereinafter "Board") was presented by the Department of Public Health (hereinafter "Department") with a Statement of Charges and Motion for Summary Suspension dated January 8, 2004. Dept. Exh. 6. The Statement of Charges alleged violations of certain provisions of Chapter 378 of the General Statutes of Connecticut by Renee Segnatelli (hereinafter "respondent") which would subject respondent's licensed practical nurse license to disciplinary action pursuant to Conn. Gen. Stat. §§ 19a-17 and 20-99(b).

Based on the allegations in the Statement of Charges and accompanying affidavits and reports, the Board found that respondent's continued nursing practice presented a clear and immediate danger to public health and safety. On February 4, 2004, the Board ordered, pursuant to its authority under §§ 4-182(c) and 19a-17(c) of the General Statutes of Connecticut, that respondent's licensed practical nurse license be summarily suspended pending a final determination by the Board of the allegations contained in the Statement of Charges. Dept. Exh. 6.

The Board issued a Notice of Hearing dated February 4, 2004, scheduling a hearing for February 18, 2004. Dept. Exh. 6.

Respondent was provided notice of the hearing and charges against her. The Notice of Hearing and Statement of Charges were delivered by certified mail to respondent on February 6, 2004. Dept. Exh. 6.

The hearing scheduled for February 18, 2004, was continued at the request of respondent. Subsequent hearing dates scheduled for August 18, 2004 and December 1, 2004 were also continued at respondent's request. Dept. Exhs. 1-4; Transcript, February 18, 2004, pp. 3-4.

The hearing took place on April 20, 2005, at the Hartford Hospital – Newington Campus, 181 Patricia M. Genova Drive, Newington, Connecticut. Respondent was present during the hearing but was not represented by counsel. Transcript, April 20, 2005, pp. 6-7.

During the hearing respondent orally answered the Statement of Charges. Transcript, April 20, 2005, pp. 11-14.

Each member of the Board involved in this decision attests that he/she was present at the hearing or has reviewed the record, and that this decision is based entirely on the record, the law, and the Board's specialized professional knowledge in evaluating the evidence.

### ***Conclusions of Law and Discussion***

In consideration of the above Findings of Fact, the following conclusions are rendered:

Renee Segnatelli held a valid licensed practical nurse license in the State of Connecticut at all times referenced in the Statement of Charges.

The Notice of Hearing and Statement of Charges provided sufficient legal notice as mandated by Conn. Gen. Stat. §§ 4-177(a) and (b), and 4-182(c). The hearing was held in accordance with Conn. Gen. Stat. Chapters 54 and 368a as well as §§ 19a-9-1 through 19a-9-29 of the Regulations of Connecticut State Agencies.

The Summary Suspension Order, Notice of Hearing, Statement of Charges, and the hearing process provided respondent with the opportunity to demonstrate compliance with all lawful requirements for the retention of his license as required by Conn. Gen. Stat. § 4-182(c).

The Department bears the burden of proof by a preponderance of the evidence in this matter.

**PARAGRAPH 3** of the Statement of Charges alleges that between from approximately August 2003 through October 2003, while working as a licensed practical nurse at Cedar Lane Rehabilitation, Waterbury, Connecticut, respondent:

- a. diverted Oxycodone and Percocet;
- b. failed to properly and accurately document in patient and/or hospital records; and/or,
- c. falsified one or more Controlled Substance Receipt Records.

Respondent admitted paragraphs 3a, 3b and 3c during her testimony. Transcript, April 20, 2005, pp. 12-13, 32.

**PARAGRAPH 4** of the Statement of Charges alleges in or about August 2003 to October 2003, respondent abused or utilized to excess, Oxycodone and/or Percocet.

Respondent admitted paragraph 4 during her testimony. Transcript, April 20, 2005, p. 13.

**PARAGRAPH 5** of the Statement of Charges alleges that respondent's abuse of Oxycodone and/or Percocet does, and/or, may affect her practice as a licensed practical nurse.

Respondent denied paragraph 5 during her testimony. Transcript, April 20, 2005, pp. 13-14.

The General Statutes of Connecticut § 20-99 provides in relevant part:

(a) The Board of Examiners for Nursing shall have jurisdiction to hear all charges of conduct which fails to conform to the accepted standards of the nursing profession brought against persons licensed to practice nursing. After holding a hearing . . . said board, if it finds such person to be guilty, may revoke or suspend his or her license or take any of the actions set forth in section 19a-17. . . .

(b) Conduct which fails to conform to the accepted standards of the nursing profession includes, but is not limited to, the following . . . (2) illegal conduct, incompetence or negligence in carrying out usual nursing functions . . . (5) abuse or excessive use of drugs, including alcohol, narcotics or chemicals . . . (6) fraud or material deception in the course of professional services or activities . . .

Based on its findings and respondent's admissions, the Board concludes that respondent's conduct as alleged in Paragraphs 3 and 4 of the Statement of Charges is proven by a preponderance of the evidence presented. As for Paragraph 5 of the Statement of Charges, the Board concludes that respondent's practice as a licensed practical nurse may be affected if her substance abuse were to remain untreated. The Board further concludes that said conduct constitutes grounds for disciplinary action pursuant to Conn. Gen. Stat. §§ 20-99(b)(2), (5), (6) and 19a-17.

*Order*

Pursuant to its authority under Conn. Gen. Stat. §§ 19a-17 and 20-99, the Board of Examiners for Nursing hereby orders the following:

Alcohol/drug screening may also be ordered by the Board to ensure compliance with this Order. For that reason, any food substance containing poppy seeds, and mouthwash should be avoided during the probationary period. - 4. Any deviation from the terms of probation, without prior written approval by the Board, shall constitute a violation of probation, which will be cause for an immediate hearing on charges of violating this Order.
